BEST PRACTICE SHOWCASE 2010

Thursday, May 6, 2010

HSTW/MMGW, Southwest Ohio Professional Development

Summary

The 7th Annual Best Practice Showcase will once again allow selected sites to share what is working in their schools. The showcase will begin with continental breakfast and registration from 8:00-8:30 a.m. Participants will select from three simultaneous presentations during each of four time slots throughout the day. Our luncheon will feature closing remarks by Dr. James Mahoney.

Dr. James Mahoney joined Battelle for Kids in 2001 as the organization's executive director. Dr. Mahoney has been involved in education for over 35 years as a superintendent, principal and teacher. He has also worked as an adjunct university faculty member, has published a number of professional articles and is a well-known speaker, making presentations across the United States, Canada and China.

So that you can have someone at all sessions, we look forward to hosting your school teams of at least 3 persons for this event.

Best Practice presentation topics are selected by a team of consultants through an application process. Please visit our website at www.hstw.org in the near future for topics and presentation descriptions:
